

Private Investigator

For more than 30 years, AFIMAC has offered emergency response and strike security, risk management and business continuity services to image conscious companies across North America. AFIMAC prides itself on partnering with their clients to protect people and property both during times of crisis and regular business operations. With the industry's leading Senior Management team having unparalleled security expertise in its market, these professionals offer an assortment of pre-crisis contingency planning and premium security and emergency response solutions to government and businesses representing nearly every industry.

Our Core Values define our group of companies and we demonstrate this through the following:

INTEGRITY We promote a culture of operating each day with honesty, strong moral principles and trust.

ACCOUNTABILITY The ability of our staff and organization to work diligently in unison to honor all our commitments. We will all take individual responsibility for our work and culture and promptly correct mistakes to the greatest extent possible. If it is to be, it's up to me.

COMMITMENT We are committed to our clients, employees and brands to provide an unparalleled employee and client experience all within a safe & healthy work environment, anchored on mutual respect and dignity.

COMMUNICATION We believe in an open and honest reciprocal communication process where we all commit to providing and accepting constant and consistent feedback and communicating to all through open and honest dialogue.

CUSTOMER FOCUSED We promote a relentless pursuit of first in class exceptional customer service – go beyond – treat clients like family, our future success depends on it!
